General care:

- The correct use and maintenance of this stroller is essential.
- Do not use excessive force when folding the stroller.
- If you are having problems, fully open the stroller and repeat the folding procedure.
- Always let wheels down as gently as possible when mounting and dismounting kerbs.
- Always fold the stroller when going up or down stairs.
- Never bump the stroller over these or similar obstacles.
- In some climates mould and mildew can affect the fabric and rain cover. To avoid this, do not fold the stroller when it is wet. Leave it open in a ventilated area until completely dry.
- Always store the stroller in a dry place.
- When storing the stroller in the car, never place other items on top of it.
- Do not exceed the maximum load of 2 kgs in the shopping basket. (Where provided).

Cleaning:

- Fabric covers and trims may be spot washed using mild detergent and warm water. Leave to dry in a ventilated area away from direct sunlight.
- Avoid leaving your stroller in direct sunlight for prolonged periods of time as this may cause fabrics to fade.
- Do not dry clean, machine wash or tumble dry.
- Metal parts may be cleaned with a damp cloth.
- Always wipe dry. Clean plastic parts with a mild soap and water solution, wipe dry.

Maintenance:

- Maintain your stroller by lubricating all metal moving parts with a silicone based spray. Do not use heavy machine oil or grease as this can attract dirt or grit.
- Check that nothing is loose or broken and that no sharp edges have been exposed. Inspect all joints and the harness, replace any damaged parts immediately.
- Inspect any nuts and bolts regularly to ensure none have worked loose. Tighten as necessary.
- Only use replacement parts and accessories that have been approved by the manufacturer.

Failure to do this may invalidate your warranty.
